General Information Workshop

Meeting Minutes

301 N. Stagecoach Rd., Salado, Texas

Thursday, February 21, 2013 @ 4:30PM

Members Present: Stephen Peters, Susan Terry, Danney McCort, Hans Fields, Bryan Fritch

Members Absent: Shannon Ashe

Others Present: Dianna Barker, Jack Hensley, Commissioner Tim Brown, Gatesville City manager Roger Mundy, 13 citizens

Mayor McCort called the workshop to order at 4:30pm.

1. Presentation by Gatesville City Manager on City Manager Issues
Gatesville City Manager Roger Mundy and Randal Jones spoke on the responsibilities of a city manager. Due to Salado government not handling items most other cities handle, ie: water, sewer, Mr. Mundy suggested the Village look at hiring or appointing a City Administrator. Mr. Mundy suggested the Board of Aldermen decide what responsibilities they want the position to have then decide on City Manager or City Administrator.
2. Update by Tim Brown on Salado Salamander Endangered Species
Commissioner Tim Brown went over the process of naming the Salado Salamander an endangered species and that the process is still ongoing. Commissioner Brown is still waiting on final reports but it doesn't appear this will be an economic impact for Salado. Grants to pay for the process are also being sought.
3. Review of Proposed Animal Ordinance
Item tabled pending further research.

This workshop involved only discussion, no actions were taken.

Workshop adjourned at 5:30PM.

Respectfully submitted,
